A NEW YEAR, A NEW NAME

Starting the year with a fresh name, Ontario Dressage, to clearly define our identity and purpose. Rest assured, we will continue to deliver as expected, with our local groups remaining essential to our foundation. Our website and social media platforms will be updated in the coming weeks to align with this change.

What else is New?

- Collaborating with Ontario Equestrian to handle memberships.
- Launching the Rising Stars Youth Dressage Program for riders aged 25 and under, emphasizing Equitation and offering virtual sessions to our U25 members.
- More Virtual Shows.
- Year End Awards for Gold Circuit competitors.
- Webinars on various topics such as Memberships, Awards, and the Rising Stars program.

LOOKING BACK @ 2023

In 2023, we made several updates to our membership offerings:

- We introduced Virtual Shows, which motivated many riders to participate and become members.
- Virtual and ESD Circuits were added to our Year End Awards.
- We invited David Sanders from Rider Reboot (UK) to share insights on biomechanics and how subtle body movements can impact riding. Clinics were conducted in Richmond and Ancaster last Spring, with David returning in the Fall for in-person farm visits.
- 34 horse/rider combinations competed at the Silver Championships along with 12 Teams participating in our Team Challenge (*4 Teams in each Division*) with \$1850 in cash awards to be handed out to our 2023 Silver Challenge Winners & Teams.

2024 MEMBERSHIPS

NEW • NEW • NEW

As most of you are aware, we have partnered with Ontario Equestrian & HorseReg to manage and process our memberships this year. By doing so, we hope to increase our visibility in the equestrian community by attracting more participants and sponsors to our sport. As well, this will give us the ability to connect with other equestrian organizations, professionals and enthusiasts, which will lead to potential partnerships and collaborations.

Please take note of the following information:

- Local groups will no longer handle membership collections.
- The website will no longer include a form for membership sign-ups.
- Current Ontario Equestrian members (Junior, Adult Amateur & Open riders) should log in and add-on Ontario Dressage membership.
- If you are not an Ontario Equestrian member, or do not need one, you will be categorized as an Associate member.
- To obtain an Associate membership, please contact Taylor Cornwell at OE.
- A friendly reminder: Memberships for 2024 must be renewed by July 1st should you wish to qualify for Year End Awards.

VOLUNTEERS

WE
NEED
YOU

Our sport owes much of its current success to the dedicated work of our volunteers.

- Our organization and our local groups depend entirely on volunteers.
- Any help you can provide, whether it's setting up the ring the day before the show or dismantling it at the end of the day, is greatly appreciated. Remember, many hands make light work.
- When the call for assistance goes out, please consider lending a hand.
- We also require support on our boards. Ontario Dressage, in particular, is seeking individuals to join us in various roles: Vice President, Membership, Secretary, and Social Media/Communications.
- Check with your local group to see which positions are vacant.
- Volunteering not only helps our organizations but also fosters lasting friendships through the connections you create.
